## *Happy August!*

We hope that we've exceeded your expectations in providing a safe, welcoming and much-needed retreat for you all. An oasis from all of the uncertainty that 2020 has sprung upon us.

We've been so pleased to continue to hear from so many of you how much you're enjoying all that our special club has to offer. Our members are what make our club so special - our members are like family to us. We've been delighted to see the special bonds and lasting friendships that are formed here at BHCC. We hope you continue to think of BHCC as your sanctuary.

In this issue you'll find information on upcoming golf events, complimentary fitness classes, tennis & pickleball clinics, and socially-distanced (but still engaging) member events.
