## Country Club Raises \$127K for Good Shepherd Food Bank

April 23, 2020 at 12:40 pm

Paul Coulombe, owner of Boothbay Harbor Country Club, issued a challenge to the club's members to support Good Shepherd Food Bank and offered to match all donations up to \$50,000. In less than two weeks, 100 donors came together to meet the challenge to support Lincoln County's 4,000 food insecure residents.

"The outpouring of support from our members from all over the country to help the most vulnerable in Maine has been extraordinary," said Paul Coulombe, owner of Boothbay Harbor Country Club. "To see our members come together during this great time of need is truly heartwarming. It's a wonderful feeling to be able to provide GSFB with \$127,087 which will undoubtedly, have a tremendous positive impact on Maine families in need, including our neighbors on the Boothbay peninsula."

Approximately 200,000 Mainers rely on Good Shepherd Food Bank's network of over 450 partners every year. On average, the food bank and its partners provide more than 68,000 meals daily. For Mainers already facing food insecurity, COVID-19 means the very real danger of lost wages, additional difficulty accessing food, and increased reliance on the charitable food network. School closures and job losses are more stress to the equation.

"The generosity of the Boothbay Harbor Country Club's members and employees, coupled with the generous matching support from Paul Coulombe, will go a long way in helping us serve our most vulnerable during these unprecedented times," said Kristen Miale, president of Good Shepherd Food Bank. "Our partner, the Boothbay Region Food Pantry, has transitioned to a no/low-contact model of drive-up distributions, which serve the community every Friday from 11:30 a.m. to 1:30 p.m. The local schools are also providing curbside lunches Monday through Friday."

The majority of the Food Bank's partner agencies have moved to distributing pre-packed shelf-stable food boxes, meant to help families stretch their food budget for one month. With food costs of \$38 per box, these emergency food boxes represent the bulk of the food bank's unanticipated expenses. Donations from the Boothbay Harbor Country Club will be used to support GSFB as it purchases food for these boxes and ensure that partner agencies will be able to distribute them at no cost to Mainers.

# 2020 Junior Opportunities

Dear Parents & Grandparents,

We are excited to re-open registration to the 2020 Junior Programs at BHCC!! The past two seasons of Junior Activities have been fantastic experiences for the kids and the staff. The new Covid-19 situation has proven to be a tricky obstacle to work around for a program that was based on kids being in close proximity to each other. With a few adjustments, we believe that a plan is in place to give the children an opportunity to continue their development in golf and racquets fundamentals while having a safe & fun time with their friends.

- \* Tennis, pickleball, golf and fun games will be included in these 4-day camps.
- \* The pool will be open, but swimming has been eliminated from the program for this season due to self-imposed Covid-19 protocols.
- \* We will have a morning and an afternoon session for both groups.
- \* Our Puffins & Eagles programs will meet from 9am to 12:30pm or 12:30pm-4:00pm Monday thru Thursday.
- \* Lunch will be provided each day during the program between 12:15pm-12:45pm.
- \* The fees for all the programs will be \$240 per child for each week. Multiple children in the same family, in the same week will have a 10% discount.
- \* Each child must be family of a member or be sponsored by a member to participate.

## **Age Breakdowns:**

Puffins – Participants must be five years old by July 6

Eagles – Participants must be 10 years old by July 6

Please visit [www.boothbayharborcc.com](http://www.boothbayharborcc.com) under the junior tab
